In December of 2007, we lost our 4 year old granddaughter Sophie, to brain cancer. Her courageous battle, smile, loving spirit and beauty live on in our hearts every day.

Childhood cancer is a growing problem in the US and an emotional and financial stress for families forced to cope with it. We learned firsthand how quickly your life can change in such a terrifying way. The mission of the Sophie Jane Darr Children's Foundation is to raise money for the families of children affected by cancer and other life threatening illnesses that need financial assistance. In just eight years, the foundation has raised and distributed more than \$500,000 to many local families in financial need; however, there are many more that need our help. We are proud to say that 100% of all proceeds raised are distributed.

Please consider joining us, along with our tournament hosts, Michael and Rachael Odorisio, at the Seventh Annual Sophie Jane Darr Golf Outing and Auction Gala either on the golf course, for dinner, or by becoming an event sponsor. The difference your participation, sponsorship, or donation makes is immeasurable to the families it will assist.

Our sincere thanks and gratitude,

Phil and Jane Rapone
